

Kinky Carmen: Her passion is wildly erotic sex

WARNING: This book is for ADULTS ONLY! The following story contains explicit accounts of some very adventurous sexual activities and includes spankings, canings and very explicit sex scenes. It is not suitable reading for anyone under 18 years of age. Carmen is a stunning thirty two year old blond. She puts 100% effort into everything that she does in life, especially her number one interest which is sex! She is an expert at her favourite hobby and any man that is fortunate enough to have a relationship with her is literally blown away. She always fulfils her partners every fantasy and takes great pleasure in holding them right on the edge for as long as possible during blowjobs. All of her acquaintances are more than happy to spank and cane her, but none of them can cope with her severity when she returns the favour. They all complain that she canes them too hard! Now at last it appears as if she has met her perfect partner.
