

Max and the Magic Boy

Max is the smartest boy in his class. He learns so quickly that he is frequently bored to death. One day a weird creature appears next to him in school. It is Magic Boy. MB comes from Somewhere Else. He is the strangest looking person, boy or adult, Max has ever seen. The boy has no shoes on and has purple toes and purple fingers, are all twice as long as Max's. His hair is bright orange and is standing straight up on top. He looks cheerful and has two large front teeth. Like Bugs Bunny. MB is dressed rather strangely, which is OK since he is a very strange boy to start with. MB has no shirt, just shorts with a sort of strap that goes across his chest. MB is somewhat hairy all over his body which is kind of odd since he appears to be about 11 years old. Max and his friends go on strange adventures involving giant pigeons, kids who are surgeons; kids who are lawyers and judges; and kids riding in a rodeo. MB needs Max to help him to bring something from Earth to his Home. But wait until you read the Prologue!
