

Love is not easy! Love is complicated! That is to say: Certain Layers are! Is love something you simply fall into? Did you ever wonder how that elderly couple stayed in love with each other all those years? In the first release of its kind ever, you will discover how to identify with something that we all live with in everyday life. The 7 Layers of Love is a study that peers open and looks inside the human spirit revealing secrets of exactly what is found in a life-long true-love relationship. You will learn about love in a way that uniquely pinpoints the way we love or fall in love, and you will never have to ask yourself if someone is right for you once you learn these love layers in depth. The 7 Layers of Love comes with wisdom that can be applied to your own relationship and/or marriage, and will be certain to open minds as to what success in marriage really is! This book comes with your own assessment quiz at the end. Jon's writing is based on many years of observation and experience taken right out of life itself; these are concepts that Jon has introduced, showing you love through a very unique lens. So now, it is time to just start listening to it...enjoy.
