

Invincible Ed

A regular geek at Chesterton High, Ed mistakenly receives the alien power of invincibility, but to his horror, being a superhero just hurts like hell! Without super strength, heat vision, or anything at all, Ed learns the ropes of being a superhero with only an extremely high level of pain tolerance. Jealously enraged at Ed's benefit, Lance Lundgrin schemes to overthrow the geek-gone-super geek. Through the relentless and hilarious pain inflicted on him, Ed learns how to believe in himself and make self sacrifices for the greater good.
