

## The Power of Your Image

Your appearance should not matter when it comes to achieving success or happiness, but sadly, it does. Studies have shown that it takes approximately 30 seconds of meeting you, for someone to develop an opinion about you. The Power of Your Image will help you to discover your personal style, be aware of your body language, provide tips on addressing your body flaws as well as focusing on other critical areas to help you to improve your image. You will also learn the importance of branding and how to use colors to enhance your wardrobe
