

people, the world as it was and the world as it has become all is flux and all is heading to ruin. Certainly, this is true. In many ways. As it has always been. But it is also not true. In that, it is not the complete picture. Life is full of choices and options. Life is full of the good and the bad. Its how YOU CHOOSE to see things. An example: - you are on a farm, a cattle, pig farm there is mud, there is cow shit, there is pig shit, and you have it on your shoes. However, if you raise your gaze from your feet you can see a vast panorama, rolling hills and fields, in the background fabulous mountains, and all under a wonderful sky. Pick what you want to focus on. They are both real-----Why is your attitude so important? Because it is the one thing in All the World that is 100% under your control. And because it is the one thing in all your world that can give you joy or bitterness, happiness or sadness, a small outlook or a large outlook. It is the one thing that affects everything you do. And no-one has any say in how you think. No-one
