This book shows you how to make 20 absolutely stunning designs using three different techniques and a variety of beautiful beads. All the techniques are explained with easy-to-follow instructions, and no previous experience of jewellery making is needed. The materials used are widely available from major craft stores, jewellery and bead suppliers. The types of ring included in the book are stretchy cord rings, which can be threaded with beads and give a perfect fit; woven rings; and wire-wrapped rings, which are embellished with a variety of lovely beads. These rings are inexpensive to make, so you can make lots to go with different outfits and they also make fantastic gifts for family and friends.
