

Wake Up...Live the Life You Love: Wake Up Moments of Inspiration

It comes as if in a dream; it hits you when you least expect it. It is the culmination of study, or the result of crisis and fear. It is your Wake Up Moment. Inspirational speaker and teacher Steven E experienced his Wake Up Moment as a young man. The result was not an instant success story. What followed was years of hard work and occasional disappointment, but it was always accompanied by the sure knowledge that this was the right path for him. Dozens of like-minded coaches, teachers and entrepreneurs joined him on the pages of Wake Up Moments. Now, several business leaders, mentors and counselors have come together to examine the vital moment of personal epiphany in Wake Up Moments of Inspiration. Includes chapters by Dr. Wayne Dyer, Ernie Hudson, Zachery Levi, Liz Vassey and Brian Tracy.
