

## What Lurks Beyond: The Paranormal in Your Backyard

Ghosts, aliens, a time traveler, and a mind-reading dog could be fiction, but Jason Offutt investigates true tales of these and other paranormal events that happened within 100 miles of his home. Offutt introduces ordinary folks who have encountered unexplained phenomena in everyday places and presents engaging accounts of their experiences. Getting a glimpse of this hidden world around us may prompt us to look really look in our own backyard.
