

Wear a bracelet thats simple, yet elegant looking and something that can easily be created in different colors. The Florets Wire Bracelet is a where youll learn how to make a circle frame to house a round gem. The sides are wire wrapped pearls that created a flower and added that feminine look. With black and white combination the bracelet really looks elegant! The tutorial is catered for intermediate. One must know already basic wirework techniques such as making loops, wire wrapping and using mandrels to follow the tutorial. It has clear instructions and ultra-clear, close-up photos at each step. Additionally, you can ask me question you have on the tutorial. No more getting stuck and frustrated on a confusing or just plain inaccurate pattern. If you followed this tutorial and then sell the accessory or jewelry, please give credit to the author or DIY Beading Club.com
