

# YouVe Got To Break Some Eggs To Get The Leader: Unlocking The Motivation To Lead

Youve got to break some eggs to get the leader was inspired by the observation that some leaders believe that you can just get a position and be an effective leader. This book will inspire many new leaders that youve got to stir the pot (break some eggs) get in there and be creative, challenge mediocrity to be successful. It challenges seasoned leaders to not just sit around and rest on past accomplishments, but jump out of the can and make something new happen. There is the section entitled- Lets Go On Safari which addresses the different type of employees that you can encounter in any work environment. This is a must read.
